ORE OFFICE MEMORANDUM

EPB NOTICE NO. 4-50

31 January 1950

SUBJECT: Conclusions Reached at the Third 1950 Meeting of the Estimates Production Board on 25 January 1950

REFERENCES: a. EPB Notice No. 3-50, paragraph 3
b. Comments Re EPB Notice No. 3-50 prepared by D/WE, attached hereto and marked Enclosure No. 1
c. Memorandum from the Chief, D/FE, subject: D/Pub's Proposal for Establishing the ORE Series, dated 23 January 1950, attached hereto and marked Enclosure No. 2
d. Memorandum from the Chief, D/LA, subject: EPB Action on Draft ORE 22-49, dated 18 January 1950, attached hereto and marked Enclosure No. 3.

1. References b, c, and d, prepared by individual members of the Estimates Production Board as a consequence of their further consideration of the question discussed at the second 1950 meeting, are attached hereto as a matter of record.

2. In consideration of reference a, it was concluded:

a. That no change would be made in the ORE series pending Estimates Production Board action on the Stout Committee report.

b. That D/Pub would use reference b, EPB Notice No. 3-50, as the criteria governing the acceptance of contributions submitted for publication in the ORE series.

c. The above-mentioned criteria during this period are binding only on D/Pub, or on D/Pub and those producing components who are in agreement with D/Pub in each case.

-2-

d. In those instances where disagreement on the referenced criteria between D/Pub and any producing component arises, the question will be referred to the Estimates Production Board for review and recommendation to the Assistant Director for Reports and Estimates.

3. The Estimates Production Board meeting of 1 February 1950 will be a partial meeting. No full meeting of the Estimates Production Board is presently scheduled. The agenda for the next full meeting will be published at a later date.
